

EZ Breaker chain breaker™

EZ BREAKER is a compact, easy to use tool for cutting roller chain. This simple, rugged piece of equipment will stand up to the abuses of the shop, farm, or industrial environment.

**Cut your chain
breaking jobs
down to size**

EZ BREAKER will cut ANSI roller chain sizes 35 through 100H, 40-2 through 80-2, 2040 through 2060H, and 550 through 557 with a simple pull of the handle. No more grinding off pin heads! No more hammers and punches! No more ruined chain!

EZ BREAKER uses powerful cam-action to push both chain pins through the link plates with an easy pull of the handle. Breaking different chain sizes is EZ!

Precision Die Sets for each chain size are easily interchangeable. Changing from one Die Set to another can be accomplished in a few seconds! The time consuming, tedious job of breaking chain is now accomplished with a single pull of the handle. EZ BREAKER links price and Value!

EZ BREAKER has interchangeable Die Sets that make it EZ to switch from one size chain to another!
